

# VALENTINA GIUSTI

## Full Stack Web Developer Jr.

### SUMMARY

---

Hello! My name is Valentina Giusti and I am from Montevideo, Uruguay

The pandemic and being lockdown for months woke in me a new passion for coding. This led me to sign up for a Full Stack Web Development Bootcamp where I spent over 600 hours improving my coding skills.

Last year I completed my 5th academic year to become an architect at FADU, UDELAR, where I acquired significant design skills.

I had the chance to live abroad as an exchange student in Italy. This allowed me to meet people from all around the world and taught me to empathize with different cultures.
